

# SCHEDULE OF EVENTS

## Monday, March 23, 2026

9:15 - 11:45 AM

### POSTER SESSION

Interpreting *In Vitro* Permeation Testing Layer-Deposition Data Using a Mechanistic Skin Model in MoBi

**Presenter:** Alec Salminen | **Board #** E388

1:45 - 2:45 PM

### EXHIBITOR HOSTED SESSION

Advancing NAMs for Assessing Thyroid Hormone Disruption: Liver and Thyroid Models for Risk Assessment

**Location:** Room 24A, Convention Center

1:45 - 4:15 PM

### POSTER SESSION: NEW APPROACH METHODS: *IN VITRO* I

Assessment of a 3D Primary Human Thyroid Microtissue Assay for Identifying Thyroid-Disrupting Chemicals

**Presenter:** Eda Rogers | **Board #** G528

### POSTER SESSION: NEW APPROACH METHODS: *IN VITRO* I

Leveraging a Human-Based Microphysiological System for *In Vitro* Pharmacokinetic Assessment of Oral Drug Formulations

**Presenter:** Jamin Willoughby, Sr. | **Board #** G544

### POSTER SESSION: ENDOCRINE TOXICOLOGY

Robustness and Predictive Utility of the TruVivo® T4 Glucuronidation Assay in Primary Hepatocytes for Regulatory Safety Evaluation

**Presenter:** Ahtasham Raza (Corteva Agriscience) | **Board #** E431

### POSTER SESSION: ENDOCRINE TOXICOLOGY

Assessing Different *In Vitro* Hepatocyte Models Using IVIVE to Predict Liver-Mediated Thyroid Hormone Clearance in Rats

**Presenter:** Beas Bhattacharya (Corteva Agriscience) | **Board #** E432

3:00 - 4:30 PM

LifeNet Health | AxiomBio Happy Hour

BOOTH 2205

## Tuesday, March 24, 2026

9:15 - 11:45 AM

### POSTER SESSION: LIVER *IN VITRO*

3D Spheroid Formation of Rat and Human Cryopreserved Hepatocytes to Develop Model Systems for Liver Disease and Drug Development

**Presenter:** Danielle Parks | **Board #** A113

### POSTER SESSION: NEW APPROACH METHODS: *IN VITRO* II

Evaluation of Thyroxine Synthesis in Cryopreserved Primary Human Thyrocytes for Screening Thyroid-Disrupting Chemicals Using ELISA and LC-MS/MS

**Presenter:** Thu Nguyen-Jones | **Board #** H608

1:45 - 4:15 PM

### POSTER SESSION: NEW APPROACH METHODS: *IN VITRO* III

Predictivity Assessment of the Human Thyroid Microtissue Assay

**Presenter:** Kenzie Pereira (ORISE; US EPA/OCSP) | **Board #** J641

3:00 - 4:30 PM

LifeNet Health | AxiomBio Ice Cream Social:
